# Art Gallery

The MATV Gallery is a community-centered art exhibition space located at Malden Access Television in Malden Square. The Gallery encourages, supports, and promotes the work of local artists in Malden and surrounding communities. Already a vibrant community center with extensive hours open to the public, MATV is an excellent venue for local art exhibits.

A Gallery Committee reviews works submitted by artists and chooses curators and jurors for group shows. In order to be considered as an exhibitor, you will need to submit a resume or biography and samples of your work to the Gallery Committee. Samples in the form of slides or photographs may be dropped off or mailed to MATV; 145 Pleasant St.; Malden, MA 02148 and labeled "Art Gallery Submissions." Please specify the dimensions of the original works. If you would prefer to show the Committee original artwork, you may leave well-protected pieces at our facility. These will be ready for you to pick up in approximately two weeks, after the Gallery Committee members have reviewed them.

If you are interested in serving as a curator or juror for an exhibit, please present your ideas and background information to the Committee. The Gallery Committee will also hold special exhibits for non-professional artists, such as students, senior citizen groups, and non-profit community organizations. These will be curated by an appropriate contact for that group. Suggestions can be made to members of the Gallery Committee.

**The MATV Gallery is funded in part by a grant from the Malden Cultural Council, a local agency supported by the Massachusetts Cultural Council, a state agency.**

There is a \$5 fee for professional artists to exhibit their work in the Gallery, to cover the cost of renewable supplies. Artists are responsible for hanging and removing their show, as well as planning and hosting the opening reception. Invitations and printed promotional materials are also the responsibility of the artist and must be approved by the Gallery Committee to ensure accuracy of information. MATV's bulk mailing permit may be used for mailing the invitations. The MATV Gallery takes a 20% commission on all work sold during the exhibit. All exhibitors are required to sign a "Hold Harmless" agreement with MATV as there is no insurance coverage provided.

MATV will promote your exhibit through the electronic Community Bulletin Board on Channel 3; samples of your work can be scanned in for presentation. MATV will produce a television program about the artist(s) and the exhibit for our program series entitled *Gallery Spotlight*. Information will also be posted on our website at [www.matv.org](http://www.matv.org).
